

REGISTRATION FOR EXTENSION MASTER GARDENER GROUPS

Please complete this document by adding the names of known officers in the local Extension Master Gardener group or association. If this group does not have a formal association, provide contact names of active, reliable Master Gardeners in your county.

If you have ever taught an MG program or have a current group that is not registered you still need to return this document.

I do not have a Master Gardener Group.

Please complete form and return with the Annual Report to Chris Cooper, 7777 Walnut Grove Rd, Suite B, Box 21, Memphis, TN 38120, cmcooper@utk.edu or fax: 901-752-6240.
Add extra officers as needed.
